

# ARE ANY OF YOUR STUDENTS ENROLLED IN INDIANA'S 21st CENTURY SCHOLARS PROGRAM?

*You can help 21st CENTURY SCHOLARS  
at your school stay on track to earn their  
college scholarships.*

These students have the opportunity to earn up to four years of free tuition at an Indiana college. They have taken the Scholar Pledge to achieve academic success and remain drug- and crime-free. Beginning with the high school graduating class of 2017, Scholars must complete the Scholar Success Program, a new requirement that includes activities to help them prepare for college.

You can support your Scholars by reviewing the 21st CENTURY SCHOLAR PLEDGE REQUIREMENTS and helping them work toward completing these steps.

YOU COULD INCORPORATE  
SCHOLAR REQUIREMENTS  
INTO YOUR LESSONS...

THESE TYPES OF ACTIVITIES CAN  
HELP ALL OF YOUR STUDENTS  
PREPARE FOR COLLEGE.

## *Resources to help you help them*

- **CLASSROOM ACTIVITIES:** Incorporate the Scholar Success Program requirements into your lesson plans. For example, the topic of a writing lesson might be a college application essay, or a compounding interest lesson could be used to demonstrate the actual cost of a college loan.
- **COUNSELORS:** Check with your school counselors to find out if you have any 21st Century Scholars in your classroom. Encourage your Scholars to meet with their counselors to create or update their high school Graduation Plan and ensure they're on the right path.
- **SCHOLARS.IN.GOV:** This comprehensive website has many resources and materials to help school administrators and educators support Scholars.
- **SCHOLARTRACK:** Scholars can create a personalized account at **Scholars.IN.gov/scholartrack** that will guide them through completing the new program requirements. School counselors will have ScholarTrack accounts to monitor Scholars' progress.
